

## Prom Items

### Prom Event

Every year the HAY Center hosts a prom readiness event for foster youth. We want foster youth to have normal high school experiences including attending their high school prom. This event makes sure they have everything they need to feel special the night of their prom. Youth *shop* with volunteers from a variety of donated, gently used prom clothing so they are able to wear exactly what they want. They are given fashion advice, makeovers, etiquette tips, and even learn a new dance so they leave ready for the big event.

Items needed can be gently used unless indicated new.

#### For our Girls:
